WASH-DOWN EQUIPMENT STORAGE HOLDERS				
	BR-HLD-2	Yacht Dapper® Brush Storage Holder for 2 pieces.	Yacht Dapper® Brush Storage Holders are adaptable with 6-10 inch Shurhold®, Swobbit®, Yotstik® Brushes, and more. Designed to enable the brush head to dry and hinder potential mildew build-up, and to sit along the bulkhead (or door) of wash-lockers.	Measurements: 70x60x280mm Weight: 1.06kg Material: PVC, White
	BR-HLD-3	Yacht Dapper® Brush Storage Holder for 3 pieces.	Yacht Dapper® Brush Storage Holders are adaptable with 6-10 inch Shurhold®, Swobbit®, Yotstik® Brushes, and more. Designed to enable the brush head to dry and hinder potential mildew build-up, and to sit along the bulkhead (or door) of wash-lockers.	Measurements: 70x60x430mm Weight: 1.63kg Material: PVC, White

	PL-HLD-2	Yacht Dapper® carbon and aluminium Pole Storage Holder for 2 pieces.	Yacht Dapper® Pole Storage Holders are adaptable with Yotstik® Telescopic Poles, Shurhold® Telescopic Poles, Swobbit® Perfect Poles, and more. Designed to enable the poles to sit flush along the bulkhead for more narrow wash-lockers.	Top piece measurements: 100x47x90mm Bottom piece measurements: 100x64x90mm Weight: 0.35kg Material: PVC, White
	PL-HLD-3	Yacht Dapper® carbon and aluminium Pole Storage Holder for 3 pieces.	Yacht Dapper® Pole Storage Holders are adaptable with Yotstik® Telescopic Poles, Shurhold® Telescopic Poles, Swobbit® Perfect Poles, and more. Designed to enable the poles to sit flush along the bulkhead for more narrow wash-lockers.	Top piece measurements: 150x47x90mm Bottom piece measurements: 150x64x90mm Weight: 0.52kg Material: PVC, White

	PL-HLD-4	Yacht Dapper® carbon and aluminium Pole Storage Holder Bracket for 4 pieces.	Yacht Dapper® Pole Storage Holders are adaptable with Yotstik® Telescopic Poles, Shurhold® Telescopic Poles, Swobbit® Perfect Poles, and more. Designed to enable maximisation of poles to sit along and out of the bulkhead (or door) of wash-lockers.	Top piece measurements: 115x113x90mm Bottom piece measurements: 115x113x90mm Weight: 0.64kg Material: PVC, White
	PL-HLD-6	Yacht Dapper® carbon and aluminium Pole Storage Holder Bracket for 6 pieces.	Yacht Dapper® Pole Storage Holders are adaptable with Yotstik® Telescopic Poles, Shurhold® Telescopic Poles, Swobbit® Perfect Poles, and more. Designed to enable maximisation of poles to sit along and out of the bulkhead (or door) of wash-lockers.	Top piece measurements: 165x113x90mm Bottom piece measurements: 165x113x90mm Weight: 0.81kg Material: PVC, White

	WM-HLD-1	Yacht Dapper® Wash Mitt Storage Holder for 1 piece.	Yacht Dapper® Wash Mitt Storage Holders are adaptable with Shurhold®, Swobbit®, Bee Clean Marine®, The Absorber®, and more. Designed to enable the mitt to dry and hinder potential mildew build-up, and to sit along the bulkhead (or door) of wash-lockers.	Measurements: 120x65x240mm Weight: 0.31kg Material: PVC, White
	WM-HLD-2	Yacht Dapper® Wash Mitt Holder for 2 pieces.	Yacht Dapper® Mitt Storage Holders are adaptable with Shurhold®, Swobbit®, Bee Clean Marine®, The Absorber®, and more. Designed to enable the mitt to dry and hinder potential mildew build-up, and to sit along and out of the bulkhead (or door) of wash-lockers.	Measurements: 130x120x240mm Weight: 0.55kg Material: PVC, White

	TB-HLD-3	Yacht Dapper® T-Bar Storage Holder for 3 pieces.	Yacht Dapper® T-Bar Storage Holder is adaptable with Unger® T-Bars, and more. Designed to enable maximisation of t-bars to sit along and out of the bulkhead (or door) of wash-lockers.	Measurements: 245x130x50mm Weight: 0.35kg Material: PVC, White
	SP-HLD-2	Yacht Dapper® Swivel Pad Storage Holder for 2 pieces.	Yacht Dapper® Swivel Pad Storage Holder is adaptable with Shurhold® Swivel Base Pad, Swobbit® Dual Axis Swivel Plate, and more. Designed to enable the swivel pads to sit flush with the bulkhead (or door) of wash-lockers.	Measurements: 290x45x30mm Weight: 0.13kg Material: PVC, White

	HS-HLD-1	Yacht Dapper® Hose Storage Holder.	Yacht Dapper® Hose Storage Holder is designed to be adaptable with the standard deck hoses used within the yachting industry. Designed to enable the hose to sit flush with the bulkhead of wash-lockers.	Measurements: 110x100x30mm Weight: 0.30kg Material: PVC, White

DRYING EQUIPMENT STORAGE HOLDERS				
	CH-HLD-2	Yacht Dapper® Chamois Storage Holder for 2 pieces.	Yacht Dapper® Chamois Storage Holders are adaptable with the large Absorber® Miracle Chamois, and more. Designed to enable the chamois to sit flush along the bulkhead for more narrow wash-lockers.	Top piece measurements: 180x105x45mm Bottom piece measurements: 180x105x45mm Weight: 0.51kg Material: PVC, White

	CH-HLD-4	Yacht Dapper® Chamois Storage Holder for 4 pieces.	Yacht Dapper® Chamois Storage Holders are adaptable with the large Absorber® Miracle Chamois, and more. Designed to enable maximisation of chamois to sit along and out of the bulkhead (or door) of wash-lockers.	Top piece measurements: 185x180x45mm Bottom piece measurements: 185x180x45mm Weight: 0.77kg Material: PVC, White
	DS-HLD-2	Yacht Dapper® Deck Squeegee Storage Holder for 2 pieces.	Yacht Dapper® Deck Squeegee Storage Holders are designed to be adaptable with any standard deck squeegee used within the yachting industry, having a 22mm hole to accommodate the neck of the deck squeegee. Please ensure to check the neck diameter of your deck squeegee before purchasing this storage holder. Designed to enable the deck squeegee's to sit flush along the bulkhead for more narrow wash-lockers.	Measurements: 95x60x95mm Weight: 0.47kg Material: PVC, White

	DS-HLD-3	Yacht Dapper® Deck Squeegee Storage Holder for 3 pieces.	Yacht Dapper® Deck Squeegee Storage Holders are adaptable with 18 - 24" Sparta® double foam squeegee. Designed to enable the deck squeegee blades to sit along and out of the bulkhead (or door) of wash-lockers.	Measurements: 240x130x50mm Weight: 0.33kg Material: PVC, White
	CM-HLD-2	Yacht Dapper® Chamois Mop Storage Holder for 2 pieces.	Yacht Dapper® Chamois Mop Storage Holders are adaptable with Shurhold® Soft-n-Thirsty Mops, Yotstik® Absorber mops, TD Mop®, Deluxe Water Sprite Mops, Swobbit® Aquazorber Drying Mops, and more. Designed to enable the chamois mops to sit flush along the bulkhead for more narrow wash-lockers.	Measurements: 120x70x45mm Weight: 0.16kg Material: PVC, White

	CM-HLD-4	Yacht Dapper® Chamois Mop Storage Holder for 4 pieces.	Yacht Dapper® Chamois Mop Storage Holders are adaptable with Shurhold® Soft-n-Thirsty Mops, Yotstik® Absorber mops, TD Mop®, Deluxe Water Sprite Mops, Swobbit® Aquazorber Drying Mops, and more. Designed to enable maximisation of chamois mops to sit along and out of the bulkhead (or door) of wash-lockers.	Measurements: 140x125x45mm Weight: 0.27kg Material: PVC, White
	WS-HLD-4	Yacht Dapper® Window Squeegee Storage Holder for 4 pieces.	Yacht Dapper® Window Squeegee Storage Holder is adaptable with 10 - 30" Unger® window squeegees, and more. Designed to enable the window squeegee blades to sit along and out of the bulkhead (or door) of wash-lockers.	Measurements: 207x130x50mm Weight: 0.33kg Material: PVC, White

	WB-HLD-1	Yacht Dapper® Water Blade Storage Holder for 1 piece.	Yacht Dapper® Water Blade Storage Holder is adaptable with Shurhold® Flexible Water Blades, Swobbit® Water Blades, Yotstik® Water blades, One Pass® Water blades, and more. Designed to enable the water blades to sit flush with the bulkhead (or door) of wash-lockers.	Top piece measurements: 70x67x30mm Bottom piece measurements: 70x67x30mm Weight: 0.16kg Material: PVC, White
	WB-HLD-2	Yacht Dapper® Water Blade Storage Holder for 2 pieces.	Yacht Dapper® Water Blade Storage Holder is adaptable with Shurhold® Flexible Water Blades, Swobbit® Water Blades, Yotstik® Water blades, One Pass® Water blades, and more. Designed to enable the water blades to sit flush with the bulkhead (or door) of wash-lockers.	Top piece measurements: 140x67x30mm Bottom piece measurements: 140x67x30mm Weight: 0.31kg Material: PVC, White
